our goal

The purpose of Healthy Roads Media is to provide access to basic health information for everyone, but especially if you:

- prefer information you can hear or watch
- want information that is easy-to-read
- do not speak English

many ways to use

As a visitor to the website you can learn about health in many ways:

Read the information yourself

Hear as someone tells you the information

Watch a "video" from the web that explains the information

Watch a "video" on your iPod or link the iPod with a cable to a TV and watch it there

Get a DVD or video for a tablet or video-on-demand or closed-circuit TV system
